

PC and MAC Computer Repair Services

Ormond Beach, Volusia County FL

Computer Repair

•••

We offer a wide variety of repair services for Windows, Apple and Linux computers, ranging from diagnostics to data recovery.

Laptop Repair

•••

Is your trusty laptop broken? We can replace broken laptop screens, fix hinges, upgrade storage and memory, replace keyboards & more.

Apple Macintosh Repair

•••

Yes, we are Apple / Mac Certified. No appointments necessary, just contact us or bring your Mac in.

JNR Computers has served as Ormond Beach's trusted source for affordable computer repair for Windows, Linux & Mac users since 1990. Computer repairs can be done in-house at either of our facilities in Ormond Beach or Daytona Beach, on-site at your location anywhere in Volusia or Flagler Counties, or remotely over a secure internet connection – whatever works best for you. We always stand by our work & all repairs are guaranteed by a limited 30-day warranty.
